- Families and individuals with a history of substance abuse problems
- Families and individuals with a need for guidance to grow stronger after traumatic experiences
- Families and individuals in need of advocacy, life skills and clinical services

About ProActive

ProActive Management Consulting, LLC, Counseling and Advocacy Services (PMCCAS) utilizes an intensive eco systemic approach that focuses on improving family functioning, family stabilization and family reunification.

OUR SERVICES

COMPREHENSIVE CHILD AND FAMILY ASSESSMENTS (CCFA)

We offer comprehensive child and family assessment utilizing guidelines established by the Georgia Department of Human Resources. Assessments are tailored to aid in the development of a comprehensive permanency plan for each child.

Wrap Around Services

We offer wrap around services following standards as outlined by the Adoption and Safe Families Act (ASFA). Services include: Family Team Meetings, Parenting Classes, In-Home Intensive Treatment, In-Home Case Management, Crisis Intervention and other services as needed.

In-Home Intensive Family Services

We offer intensive in-home treatment services geared towards identifying and meeting the specific needs of families.

PMCCAS' customized family therapy includes the use of diverse structural interventions and strategies, experiential family activities to promote family cohesion, and improved functioning. Individual and family sessions, functional life skills, and wraparound case management are provided for the duration of the service period.

Crisis Intervention Stabilization

PMCCAS staff is available to families on a 24-hour basis, 7 days a week for crisis stabilization. In addition, PMCCAS provides clinical services to consumers and the community to ensure provision of in-home crisis intervention.

In-Home Family Support Services

We offer a broad spectrum of in home programs and services developed in response to identified needs. The primary focus of these customized services is to provide support, life skills, advocacy, and linkage to community resources.

Individual, Family and Group Counseling

PMCCAS offers individual and group counseling to children, adolescents, and adults as provided by trained, licensed clinicians.

Therapeutic and Educational Groups

PMCCAS offers time-limited therapeutic and educational groups for pre-adolescents, adolescents and adults with a focus on ADHD, Parenting, and/or Trauma Recovery.

Substance Abuse Programs

PMCCAS provides family centered outpatient alcohol and substance abuse services.
